### in the Heritage Centre

To search this document you can browse through the pages or use the 'Find' feature in the 'Edit' drop down menu above. NB Saint is abbreviated to St., Tip: Use as few words as possible in the Find Feature eg Instead of 'St James' Lane try just 'James' and then you can sort through the finds manually. If you are searching for a word that may have an apostrophe in several places try inputting a word fragment eg 'Jame'
